Sir,

Sub - Entertainment of an Overseer in grade Rs.100-10-150 plus 24/- C.A. plus D.A. for one year for the supervision of major works and also preparation of schemes in respect thereof.

Public Separate Trades

Ref - This Office letter No.C2.P.R.189-603/54-55 dated 16th November 1954.

The proposals for reorganising the Municipal Engineering Section have been sent to you with the letter quoted above. It may perhaps take considerable amount of time for the Government to take a decision in this behalf as these proposals contemplate a charge in the admnistrative set up so far as the Offices of Water Supply Department are concerned. In the meanwhile the Council have undertaken certain major works such as cement concreting of Sayyaji Rao Road, construction of shops on Dhanwanthri Road, Improvements to Mutton Market behind Devaraja Market, etc. The total cost of these three schemes aggregate to nearly 2½ lakhs.

It is the considered opinion of the Council that the Suboverseer of the Devaraja Mark Mohalla, where all these works are to be taken up, would not be in a position to suprevise these works properly in addition to his usual Mohalla work which itself is very heavy. The schemes involve heavy amounts which recuire constant proper supervision.

The council have therefore approved of the proposal to entertain an Overseer of the grade of Rs.100-10-150 plu 24/- C.A. plus D.A. for a period of one year as recommend by the Managing Committee.

I enclose a copy of the resolution and request that orders of Government may kindly be obtained sanctioning the appointment.

Due provision will be made in the budget estimates of the Municipality under D5.Establishment.

Yours faithfully,

Municipal Commissioner.
